KVB Prime also offers personal advice services in relation to a wide range of products for wealth management clients. We offer comprehensive financial planning services and access to a wide range of financial products.

When we provide you with personal advice which takes into account your financial situation, objectives and needs you will receive a Statement of Advice (‘SoA’). We are required to have a reasonable basis for our advice and to act in your best interests when providing you with personal advice.

The SoA will contain the advice, the underlying basis for our recommendations and information regarding commissions, fees or associations with third-parties that may influence that advice.

We may also provide you with a Record of Advice (‘RoA’) where further advice is sought in relation to that provided in the SoA and where there is no significant change to your circumstances.

A Fee Disclosure Statement, which contains information about the services you are entitled to receive and actually received, and the fees paid, may also be provided to you where you pay an ongoing fee for a period of more than 12 month.

If we recommend a specific product (except securities) we will also provide you with a Product Disclosure Statement (PDS) relevant to that specific product that will contain information to enable you to make an informed decision regarding the key risks and benefits of utilising that product.

The advice and recommendations provided will be impacted if you provide us with incorrect, incomplete or limited information.

Where you wish to transact in over-the-counter (“OTC”) derivatives and foreign exchange contracts, we will only provide you with general advice. Accordingly, we are obliged to warn you that our general advice provided to you as a retail client does not take account of your personal objectives, financial situation or needs.

Therefore, we recommend that you take all reasonable steps to fully understand the outcomes of specific products and strategies adopted in relation to utilising the services provided by KVB Prime on a general advice basis.

While KVB Prime believes the general advice and information we provide is accurate and reliable, neither KVB Prime nor their directors, representatives, officers, employees, contractors or associates assume any responsibility for the accuracy and completeness or currency of that advice and information.

Accordingly, KVB Prime act as principal in all transactions with you in respect of these specific financial products.

12. Remuneration, commission & benefits expected to be received by KVB Prime for provision of our financial services

In relation to OTC derivatives trading, KVB Prime earns its income from the business spread (or margin) that we apply to our products. This is the difference between the rate at which we buy and sell the financial instruments (i.e. between the wholesale price achieved by KVB Prime and your trade price). This spread is incorporated into the rates quoted to you and is not an additional charge or fee payable by you. These spreads will differ depending on the contracts traded.

Details of any fees and charges are set out in the PDS and are also available on our website at www.kvbprime.com

If you hold a position open overnight, we charge a Swap Fee. This is the differential between the cost of funds in one currency versus the cost of funds of the other currency in the pair you are trading.

For Mini account trading, we may charge a commission which ranges from \$0-\$20 USD per standard lot.

External institutions that KVB Prime may deal with may also charge their own fees which can include spread costs, bank charges,

brokerage clearing charges and fees relating to execution of the trading contracts. We may receive fees, rebates or other direct or indirect benefits from related parties and third parties.

In relation to our financial planning/wealth management advisory services, you pay for the service through the fees and charges paid to KVB Prime. You will also pay for the cost of acquiring a product issued by a third party financial product issuer (the issuer).

KVB Prime is remunerated through the fees charged directly to you and commissions paid, where permissible, by issuers or other service providers in connection with advice given to you and executing transactions on your behalf. If necessary, this commission may be paid at your direction. The nature of the fees and commissions will depend on the type of service and the complexity of your transaction.

Fees may include a personal advice fee and/or ongoing annual management fee. In addition, KVB Prime may, where permissible, receive rebates from certain product issuers and administration service providers. These amounts may be based on the total funds placed and may be paid out of fees charged by the issuer/administration service provider.

KVB Prime may, where permissible, also receive marketing rebates, sponsorship payments or non-monetary benefits, such as market reports, briefings, training and sales material from issuers with whom investments and insurance policies are placed.

These rebates do not represent a direct additional cost to you. Full details of fees and commissions (and/or the method of calculation) relevant to the financial advice or service we provide you with will be included in the SOA or as soon as practicable after that time.

Representatives of KVB Prime who provide you with general advice or transaction execution may receive commissions or other remuneration for the provision of these services. Our employees may also receive salaries, performance bonuses, team achievement bonuses and other benefits from us.

13. Disclosure of any relevant conflicts of interest

Subject to disclosures in any Product Disclosure Statement or other transaction documents, we do not have any relationships or associations which might influence us in providing you with our services.

14. Dispute Resolution

KVB Prime has an internal dispute resolution process in place to resolve any complaints or concerns you may have, as quickly and fairly as possible in all the circumstances. Any complaints or concerns should be address to your KVB Prime representative at first instance.
