6. SEGREGATED ACCOUNTS

The Client agrees and acknowledges that:

- a. All money and property deposited by the Client with KVB Prime, or received by KVB Prime on behalf of the Client, shall be deposited to the Client's account and form a credit balance and will initially be paid into a client segregated bank account established and maintained by KVB Prime and invested in accordance with applicable legal and regulatory requirements;
- b. Such segregation of the Client's money and property does not protect the Client's money and property from the risk of loss;
- c. Whilst the Client's money and property is segregated from KVB Prime's money and property, it may be co-mingled with the money and property of other KVB Prime clients, and utilised as free and clear collateral by KVB Prime from time to time in respect of open positions. Such monies and property shall accordingly be treated as the legal and beneficial property of KVB Prime, subject to an obligation by KVB Prime to transfer equivalent back to Client in accordance with their transaction rights under these Terms and Conditions;
- d. KVB Prime shall be entitled to retain any interest earned on such segregated money or property held or invested by KVB Prime;
- e. If the Client does not provide KVB Prime with a tax file number or details of exemption, KVB Prime shall be legally obliged to deduct tax from interest payments at the highest marginal rate plus medicare levy;
- f. KVB Prime may use the funds in the client segregated account to manage KVB Prime's dealings with its counterparties with respect to client positions. The Client acknowledges that this serves as sufficient written authorisation for KVB Prime to withdraw without notice to, or further authorisation from, the Client any money or property deposited into the segregated account to be used by KVB Prime for this purpose. The Client has no interest in or claim over KVB Prime's contracts (if any) with any other person or in the accounts into which KVB Prime lodges or pays the funds which were withdrawn from the segregated accounts. The Client acknowledges that the balance of the Client's account may not be protected if there is a default in the dealings with counterparties or in the overall segregated account balance; and
- g. Any Collateral transferred by the Client to KVB Prime or held by KVB Prime or its counterparties on behalf of the Client is pledged as a security for any liability that the Client may have towards KVB Prime. Client warrants that all such Collateral are beneficially owned by the Client and are and will remain free from any lien, charge, security interest if other encumbrance. If the Client fails to fulfill any obligation under these Terms & Conditions, KVB Prime is entitled to sell any Collateral immediately without notice and by the means and at the price that KVB Prime in its reasonable discretion determines. KVB Prime shall not be liable for any loss occasioned by such sale.
- h. Financial product trades executed through KVB Prime are routed to KVB Prime's service provider, who then facilitates execution and/or clearing on our behalf. Depending on the relevant jurisdiction or exchange, either KVB Prime or its service provider will be the registered owner of the instrument, within KVB Prime's client omnibus account. The value and dividends are then provided to clients

by KVB Prime in accordance with their recorded, and continually reconciled, holdings. However, if KVB Prime were to go into liquidation, and an administrator appointed, clients would be prima facie entitled to fair value for their recorded holdings, rather than holding such instruments in their name directly, thereby placing clients in the position of unsecured creditors with the administrators.

i. KVB Prime enters into arrangements with third party execution and clearing providers for the facilitation of transactions and settlements, and avails monies received for margin calls and settlements to such providers for this purpose.

7. MULTIPLE ACCOUNTS

a. The Client is able to open multiple accounts denominated in the same currency as or in currencies other than that of the main trading account. The operation of multiple accounts may mean that the Client incurs additional costs.

b. If the Client opens opposite positions in the same currency cross (for example) on the same account, such positions will cancel each other out. However if the Client operates several accounts (or sub-accounts) and opposite positions are opened on different accounts (or sub-accounts), such positions will not cancel each other out. The Client is specifically made aware that unless closed manually, all such positions may be rolled over on a continuous basis and thereby consequently all incur a cost for such roll-over.

c. Keeping opposite positions open on different accounts will result in both positions being continuously rolled over (and thereby continuously being charged the “tom-next rate”) until manually closed.

d. If the Client has opened more than one account, Margin or Collateral deposited on one account will not automatically serve as Margin coverage on the other account(s). A Client may therefore receive margin calls and stop outs on one account despite having additional collateral available on other accounts.

e. However, if the Client has deposited money or Collateral on one account, KVB Prime is entitled to transfer money or Collateral from one account to another, even if such transfer will necessitate the closing of margin trades on the account from which the transfer takes place.

f. Interest is calculated on the basis of the net free equity of each individual account or sub-account. When operating several accounts, Client will therefore be charged interest on the full negative net free equity on any account despite having a positive net free equity on another account. When operating several accounts Client should use caution when using more than one account, and understand that the rate of interest paid on positive balances differs from the rate of interest charged on negative balances.

The Client may authorise any other person (the Authorised Signatory) to give instructions on its behalf and KVB Prime is entitled to act upon instructions which are or appear to be from the Client or any Authorised Signatory thereof. It is the Client's sole responsibility to notify KVB Prime in writing immediately if there is any change to the Authorised Signatory list provided.

e. The Client shall be responsible for all orders, and for the accuracy of information, sent via the internet using the Client's name, password or any other personal identification means implemented to identify the Client.

f. KVB Prime may, in its sole discretion and without explanation, refuse to act upon any instruction.

g. If the Client is more than one person, KVB Prime may act upon instructions received from any one person who is, or appears to KVB Prime to be, such a person, whether or not such person is an Authorised Person.

h. The Client may authorise any other person (Authorised Person) to give instructions (via the agreed methods) on its behalf and KVB Prime is entitled to act upon instructions which are or appear to be from the Client or any Authorised Person. It is the Client's responsibility to notify KVB Prime in writing immediately if there is any change to the Authorised Person list provided pursuant to these Terms & Conditions;

i. Persons may only be appointed as Authorised Persons where they are an employee or director of a corporate Client, they are a family member appointed to act in the temporary absence of an individual Client, or where they are or act for an Australian Financial Services Licensee with respect to the relevant activities.

j. KVB Prime is under no obligation to accept any instruction that is not made by an Authorised Person or to enquire as to the identity of any person providing the instruction if it reasonably believes the person is an Authorised Person.

k. Should KVB Prime receive any instruction that it reasonably assumes was from an Authorised Person, KVB Prime will not be liable for any properly performed action or omission by KVB Prime in reliance on that instruction.

l. KVB Prime shall not be liable for any act or omission by KVB Prime in reliance on any instruction given or action taken by any person acting or purporting to act on behalf of the Client who is not listed as an Authorised Person.

m. The Client is obliged to keep all passwords secret and ensure that third parties do not obtain access to the Client's trading facilities;

n. Mere transmission of an instruction by the Client shall not constitute a binding contract with KVB Prime until confirmed by KVB Prime via the trade confirmation;

o. The Client has appointed KVB Prime as its agent for the purposes set out in these Terms & Conditions and conferred upon KVB

Prime authority to do, or omit to do, all things reasonably necessary to perform its functions and all things reasonably incidental to the performance of its functions;

p. The Client will execute or otherwise authorises KVB Prime to execute all such agreements as required to enable the provision of the services contemplated in these Terms & Conditions. The Client appoints KVB Prime as the Client's attorney to do all things necessary to enter into such agreements on the Client's behalf;

q. The Client shall promptly provide any instructions to KVB Prime, which KVB Prime may require. If the Client does not provide such instructions promptly KVB Prime may, in its absolute discretion, take such steps at the Client's cost, as KVB Prime considers necessary or desirable for its own protection or the protection of the Client. This provision also applies in situations when KVB Prime is unable to contact with the Client;

r. If the Client does not provide KVB Prime with notice of its intention to exercise an option or another financial product transaction which requires an instruction from the Client at the time stipulated by KVB Prime, KVB Prime may treat the option or the transaction as abandoned by the Client. If a transaction can be prolonged on expiry, KVB Prime may in its absolute discretion, choose to prolong or to close such transaction; and

s. In general, KVB Prime shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act within a time frame reasonable seen in the context of the nature of the instruction. However, if after instructions are received, KVB Prime believes that it is not reasonable practicable to act upon such instructions within a reasonable time, KVB Prime may defer acting upon those instructions until it is, in KVB Prime's reasonable opinion, practicable to do so or notify the Client that KVB Prime is refusing to act upon such instructions.

12.2 Authorisations and Instructions provided via the on-line trading facility

a. KVB Prime will not be deemed to have any order or communication electronically transmitted by the Client until KVB Prime has actual knowledge of any such order or communication. The mere transmission of an instruction by the Client shall not constitute a binding contract between KVB Prime and the Client. The terms of any order or communication electronically transmitted to the Client may be subject to change or correction. Regardless of the fact that the on-line trading facility might confirm that a contract is executed immediately when the Client transmits instructions via the on-line trading facility, the confirmation forwarded by KVB Prime or made available on the on-line trading facility constitutes KVB Prime's confirmation of a contract. Any instruction sent electronically shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding contract between KVB Prime and the Client when such instruction has been recorded as executed by KVB Prime and confirmed by KVB Prime to the Client including through a trade confirmation and/or account statement.

b. The Client acknowledges and warrants that it has received a password granting it access to the on-line trading facility; is the sole

owner of the password provided; and accepts full responsibility for any transaction that may occur on an account opened, held or accessed through the use of the password provided to the Client by KVB Prime, even if such use may be unauthorised or wrongful.

The Client agrees to accept full responsibility for the use of the on-line trading facility, for any orders transmitted through the on-line trading facility and for all communications and the accuracy of all information sent via the on-line trading facility using the Client's name, password or any other personal identification means implemented to identify the Client.

c. The Client warrants and agrees that any person who is in possession of any password is authorised by the Client, and the Client acknowledges that they will be responsible for any actions on their account associated with the use of its password.

d. The Client agrees to notify KVB Prime immediately should the Client become aware of any unauthorised use, loss or theft of the Client's, username, password or account numbers; or inaccurate information with respect to the content of statements including, cash balances, open positions or transaction history.

13. ENTERING INTO A FINANCIAL PRODUCT TRANSACTION

a. The Client may request on any given Business Day, via telephone or otherwise, KVB Prime to quote a price at which KVB Prime may be prepared to enter into a financial product transaction. The Client acknowledges that a price quotation pursuant to this request does not constitute an offer to enter into a new or close an existing financial product.

b. Upon receiving the quote from KVB Prime, the Client may via telephone or otherwise offer to enter into a financial product transaction with KVB Prime at the price quoted by KVB Prime.

c. KVB Prime is in no way obliged to accept the Client's offer to enter into a financial product transaction and, without limitation, is not obliged to accept the Client's offer to enter into a financial product transaction, if the Client has exceeded or would exceed a predetermined limit imposed on the Client under these Terms & Conditions; or until KVB Prime has received from the Client the Initial Margin where required, in the form of cleared funds. KVB Prime will promptly advise the Client should KVB Prime decide not to accept a Client's offer to enter into a financial product transaction.

d. The Initial Margin where required to enter into a financial product transaction, if not already received from the Client, will be payable to KVB Prime upon acceptance by KVB Prime of the Client's offer to enter into the financial product transaction.

e. Should KVB Prime accept the Client's offer to enter into a financial product transaction, KVB Prime will issue to the Client an electronic confirmation shortly after the financial product transaction has been entered into. This confirmation will be in the form of a deal confirmation. Failure by KVB Prime to issue a deal confirmation will not prejudice or affect the relevant financial product transaction. KVB Prime will not bear any liability whatsoever resulting from the failure to issue a deal confirmation.

f. The Client agrees to examine the terms of each deal confirmation immediately upon receipt and the Client agrees that the contents

of the deal confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal, unless within 48 hours of issue of a deal confirmation the Client notifies KVB Prime of any disputed detail in the deal confirmation received by the Client. Upon receipt of written notice within the 48hour period of the disputed detail, KVB Prime will investigate the dispute and with the co-operation of the Client, will endeavour to resolve the dispute in good faith. Notwithstanding any such dispute, the Client will continue to satisfy any obligation to pay Margin calls made by KVB Prime in respect of the transaction as if the deal confirmation was correct and its details were not the subject of dispute.

g. In its absolute discretion, KVB Prime reserves the right to limit the value of financial product transactions the Client may have outstanding under these Terms & Conditions. Should the Client wish to enter into any further financial product transactions, the Client must seek and obtain approval from KVB Prime, which Stray may grant or refuse in its absolute discretion.

h. If the Client provides KVB Prime with standing instructions to enter into a financial product transaction when a particular price level is reached in the market of the underlying security, the Client acknowledges that the price at which the financial product transaction is entered into may not be the same as the price requested by the Client as KVB Prime may elect not to enter into the financial product transaction until it has satisfied itself that it can hedge its exposure in the underlying security.

14. EXECUTION OF ORDERS

a. KVB Prime undertakes and the Client acknowledges that in respect of dealings in the financial products, and in compliance with the applicable Corporations Act and exchange operating rules requirements, KVB Prime shall execute all dealings in the sequence in which they are received and recorded, unless it would be fair and equitable to allocate such contracts on a different basis;

b. KVB Prime shall provide the Client with contract notes and monthly statements in accordance with applicable laws and regulation;

c. It is the responsibility of the Client on receipt to carefully check all transaction confirmations and statement documentation (whether received/accessed electronically or otherwise) and to bring any errors or omissions to the attention of KVB Prime in writing within the time specified by KVB Prime. In the absence of such written objection, the contract notes and monthly statements shall be deemed correct in all respects; and

d. Orders may be placed as market orders to buy or sell an instrument as soon as possible at the price obtainable in the market, or limit and stop orders to trade when the price reaches a predefined level, as applicable to the various instruments offered. Limit and stop orders are thus not guaranteed executable at the specified level or amount, unless explicitly stated otherwise by KVB Prime.

e. KVB Prime may, in its absolute sole discretion, execute a stop loss order in relation to any contract where there are reasonable grounds to believe that subsequent price movements may be adverse to the Client. KVB Prime shall not be liable to the Client for any failure to exercise this discretion. A stop loss order is triggered when the Client has a sold position and the contract is traded at or above the stop loss price; or when the Client has a bought position and the contract is traded at or below the stop loss price. Once

a stop loss order is triggered or executed it becomes a market order and KVB Prime shall use its best endeavours to execute the market order. The acceptance of a stop loss order is not a guarantee or representation by KVB Prime that the stop loss order can be executed at the stop loss price.

f.KVB Prime may at its discretion aggregate the Client's orders with its own orders or orders of associates and/or persons connected with KVB Prime including employees and other clients. In addition, KVB Prime may split the Client's orders. Orders will generally be aggregated or split where KVB Prime reasonably believes it to be in the overall best interests of Clients, but the Client acknowledges that on some occasions the consequence of the aggregation or splitting may result in a less favourable price than the Client's order having been executed separately.

15. DEPOSITS AND MARGINS

The Client agrees and acknowledges that:

a.KVB Prime may advise the Client of the need to provide an initial or variation deposit or Margin by way of the payment of money, or if KVB Prime so agrees, the lodging of Collateral, in such amount as determined by KVB Prime in its sole discretion, feels is necessary to protect itself from the personal obligation incurred by dealing in the financial products on behalf of the Client. Prior to entering into a financial product transaction, KVB Prime may require the Client to deposit cleared funds which will only be accepted when all AML/CTF requirements are met. The amount required by KVB Prime and the time at which it is required will be at the absolute discretion of KVB Prime. KVB Prime is not obliged to permit any offset of any moneys or Collateral so required by KVB Prime;

b.KVB Prime reserves the right whenever it deems appropriate to raise or lower the Margin or deposit requirements, which may apply to existing positions as well as to new positions. The Client will comply with and meet all such calls in accordance with the Agreement by depositing in cleared funds the sum requested or lodging the Collateral agreed within the time specified by KVB Prime. KVB Prime may determine the amount and time in its absolute discretion. Should KVB Prime require additional funds from the Client to pay Variation Margin ("Margin Call") the Client must pay the amount called by KVB Prime immediately upon being given notice by KVB Prime. In all respects, time shall be of the essence for all payment obligations of the Client;

c.Should KVB Prime make a Margin Call, the Client acknowledges and agrees that KVB Prime may refuse any request by the Client to enter into any further financial product transaction positions until KVB Prime has confirmed the receipt of the Margin Call amount in the form of cleared funds;

d.Any exercise by KVB Prime of any power or right under this clause, including, without limitation, the calling of Margin, shall be binding on the Client;

- e. Where the Client trades via the trading platform, the client is required to log-in to the system on a daily basis when they have opened positions to ensure they meet the margin requirement. It is the client's sole responsibility to monitor and manage their open positions and exposures, and ensure margin requirements are met as required;
- f. Where the Client has not checked the trading platform for Margin call notifications, and so has not met them in a timely manner, all margined positions will be closed out by KVB Prime, without further reference to the Client;
- g. KVB Prime may, in its discretion, request the Client to make all Margin and deposit payments with respect to any exchange traded or over-the-counter financial product transactions directly to a broker affiliated with KVB Prime. KVB Prime agrees that any payments made by the Client to such affiliate of KVB Prime pursuant to such a request will satisfy the Client's obligation to make payments to KVB Prime;
- h. Liability for a deposit or Margin arises at the time it is executed irrespective of the time at which any call is made, and such liability is not limited to the amount, if any, deposited with KVB Prime;
- i. The Client is responsible to pay any deficit owing to KVB Prime after closure, and if the Client defaults or refuses such payment, KVB Prime may apply the proceeds of any assets held by KVB Prime against that deficit;
- j. A Margin call will not be considered to have been met UNLESS AND UNTIL cleared funds have been received by KVB Prime in the nominated account (generally around 10am on the following Business Day).
- k. Should the Client fail to meet a Margin call, KVB Prime may without prejudice to any other rights or powers under these Terms & Conditions, and in its absolute discretion, close out, without notice, any or all of the Client's exchange traded or over-the-counter financial product contracts or refuse any request by the Client to enter into any further contracts;
- l. No credit shall be extended directly or indirectly to the Client by KVB Prime, unless otherwise agreed in writing;
- m. Subject to the Client meeting all Margin Call obligations, KVB Prime may permit the Client to withdraw from its account any excess Net free equity.
- n. Margin deposited by the Client will not fall due for repayment until the Client's obligations under these Terms & Conditions and under or in respect of any other account between KVB Prime and the Client are satisfied in full. Until this time, Margin will not constitute a debt due from KVB Prime to the Client nor will the Client have any right to receive payment of these funds;

16. CONTRACTS FOR DIFFERENCE

16.1 Payments for Difference

The Client agrees and acknowledges that:

- a. Following Business Close on each Business Day during the term of an open CFD, KVB Prime will determine at Business Close the

Contract Value of the CFD.

b.If the Contract Value determined is higher than the Contract Value determined in respect of the Business Close on the previous Business Day, then the Short Party must pay to the Long Party the difference.

c.If the Contract Value determined is lower than the Contract Value determined in respect of the Business Close on the previous Business Day, then the Long Party must pay to the Short Party the difference.

d.The Contract Value at Business Close on the Business Day on which the CFD is entered into is determined using the Underlying Security Price.

e.The Contract Value determined under clause 6(a) will ordinarily be the closing price of the Underlying Security quoted by the Relevant Exchange. Where KVB Prime determines that the contract value of a CFD at Business Close cannot be determined on that basis for any reason, the contract value will be the value determined by KVB Prime in its sole discretion.

f.Without limiting sub-clause(e), if at any time trading on a Relevant Exchange is suspended or halted in any Underlying Security, KVB Prime will, in determining the Contract Value, at its discretion have regard to the last traded price before the time of suspension or halt.

16.2 Closing a CFD

The Client agrees and acknowledges that:

a.At any time the Client may give KVB Prime by telephone or otherwise notice of its intention to close any CFD (whether in whole or part) by specifying the Underlying Security and the proportion of the CFD that the Client wishes to close.

b.Upon receipt of a Closing Notice, KVB Prime shall use reasonable endeavours to provide a quote for the Closing Price and notify the Client of that quote (by telephone or otherwise). It is the Client's obligation to notify KVB Prime as soon as possible (by telephone or otherwise) as to whether the Client is willing to accept the Closing Price. Should the Client accept the Closing Price the CFD, or relevant portion of the CFD, will be closed on the Closing Date.

c.At the Close of Business on the Closing Date, should there be a difference between the Closing Value and the Contract Value of the CFD (or portion of it closed under clause 7(b)) it must be accounted for in the following way – (i) Should the Closing Value be greater than the Contract Value, the Short Party must pay to the Long Party the difference; and (ii) Should the Closing Value be less than the Contract Value, the Long Party must pay to the Short Party the difference.

d.If a company, whose security represents all or part of the subject matter of a CFD, becomes externally administered within the meaning of the Corporations Act the CFD is taken to have been closed at the time that such administration commences. The Closing Price shall be determined by KVB Prime who may have regard to any factors it considers appropriate including, for example, the last traded price of the Underlying Security.

e. Without limiting KVB Prime's discretion, if any of the Underlying Securities cease to be quoted on a Relevant Exchange, or are suspended from quotation, or subject to a trading halt for 5 or more consecutive Business Days, KVB Prime may, in its absolute discretion, elect to terminate the relevant CFD by providing written notice to the Client.

f. If at any time a take-over offer is made in respect of an Underlying Security, then at any time prior to the Closing Date of such offer, KVB Prime may close the CFD. References to "offer", "take-over" and "closing date" in these Terms & Conditions have the meanings given to them in the Corporations Act;

g. It may not be possible to close out a CFD if there is a suspension of trading or a trading halt in respect of the Underlying Security. In such a circumstance, KVB Prime may decide, in its absolute discretion, not to close a CFD;

h. As at Business Close on the day that a CFD is closed out, KVB Prime will calculate the remaining payment rights and obligations of the Client and KVB Prime based on the difference between the Closing Value and the Contract Value at the time it was entered into and taking into account any Margin which has already been debited from or credited to the Client's account in respect of that CFD;

i. Where KVB Prime determines that the Closing Value of a CFD cannot be calculated on the Closing Date for any reason, the Closing Value will be the value determined by KVB Prime in its sole discretion;

j. Without limiting the above, if at any time trading on a Relevant Exchange is suspended or halted in any Underlying Security, KVB Prime will, in determining the Closing Value of a CFD, at its discretion have regard to the last traded price before the time of suspension or halt; and

k. All determinations and calculations made by KVB Prime pursuant to these Terms & Conditions will be binding on the Client in the absence of manifest error.

l. Without limiting KVB Prime's discretion, if rules or regulatory changes from any Relevant Exchange or Regulator which effects, or is expected to effect, the liquidity of the Underlying Securities, KVB Prime may, in its absolute discretion, elect to terminate the relevant CFD by providing written notice to the Client.

16.3 Settlement of Positions

The Client agrees and acknowledges that:

a. Payments to be made to the Client with respect to any CFD will be made in accordance with this clause.

b. When a payment for difference is made, or a CFD is closed out in accordance with these Terms & Conditions

i KVB Prime will credit to the Client's account any amount payable by KVB Prime to the Client; or

ii the Client must (subject to sub- clause c)) pay to KVB Prime any amount payable by the Client to KVB Prime in such currency as KVB Prime may require in cleared funds within 24 hours of being advised of the amount so payable.

c.If there is then sufficient Excess Variation Margin any amount owing by the Client under this clause may be settled in whole or in part by debiting the Client's account.

d.KVB Prime reserves the right to offset any money owed to the Client under these Terms & Conditions or any other agreement against any money owed by the Client under these Terms & Conditions or any other agreement.

e.If the Client has requested payment of any money owed to the Client under this clause, KVB Prime will deduct that money from the Client's account and pay it to the Client by cheque or in such other manner as may be agreed between KVB Prime and the Client. If the Client has not requested payment of any money so owed to the Client it will be retained in the Client's account.

16.4 Interest Charges

a.Interest payments owing in respect of borrowings by the Long Party under a CFD or in respect of borrowings by KVB Prime from the Short Party under a CFD shall accrue and be payable on a daily basis at KVB Prime's prevailing rates of interest (determined at KVB Prime's sole discretion from time to time), and shall be settled by KVB Prime on each day by debiting or crediting the Client's account with the daily interest rate differential between the amount of interest payable by the Client and the amount of interest payable by KVB Prime to the Client. In the event that there is insufficient Excess Variation Margin in the Client's account, the Client acknowledges that any amount due under this clause is a debt due and owing by the Client to KVB Prime.

b.In debiting or crediting interest to the Client's account, KVB Prime may charge or pay the Client interest at a rate different to the interest rate which KVB Prime is charged or paid on equivalent borrowings of foreign currency (or otherwise) by a bank or counterparty and may retain the difference.

c.The rates of interest applicable under this clause may be as agreed between the Client and KVB Prime from time to time and, in the absence of such agreement, shall be a rate determined by KVB Prime in its absolute discretion.

17. COMMISSIONS FEES AND EXPENSES

a.The Client agrees to pay:

i All legal costs incurred by the Client associated with entering into these Terms & Conditions and all taxes and expenses incurred by the Client in connection with these Terms & Conditions;

ii Commission upon the execution of any requested financial product transaction at such rate as is agreed separately between KVB Prime and the Client, as well as an amount equal to any other fee charged or levied on KVB Prime, or other expense incurred by KVB Prime, arising from any action taken pursuant to these Terms & Conditions;

iii All stamp duty, duties and taxes (including GST) payable on or pursuant to these Terms & Conditions;

iv All amounts payable as a result of making or taking delivery or making cash adjustment in accordance with the terms of an

Such interest shall accrue and be calculated daily from the date payment was due until the date the Client pays in full and shall be compounded monthly; and

vii Interest is calculated on the basis of net free equity on each account, unless specifically agreed otherwise. Interest will be charged on the full negative net free equity on any account, regardless of whether the Client holds other accounts which have positive net free equity. Please note that this means that if you hold multiple accounts, you may incur interest charges although the aggregate net free equity position of all of your accounts may be positive.

b. The Client authorises KVB Prime to appropriate, transfer, credit, apply or pay monies that may be received by KVB Prime or held by KVB Prime on the Client's behalf in payment of any amounts which may be outstanding by the Client to KVB Prime or KVB Prime's agent in a transaction effected on the Client's behalf.

c. Where amounts are payable by one party to the other, netting principles shall apply to enable the party owing the larger amount to pay the excess only to the other party. Amounts may be converted into the same currency in accordance with these Terms & Conditions.

d. KVB Prime may in its absolute discretion reduce or waive the minimum deposit amount, the minimum account balance or interest rates on debit balances, fees (including royalties or fees for third party services) or transaction charges, for individual clients or for classes of clients, for any length of time, with or without conditions, without notice.

Adviser commissions are payable immediately upon the entering into and the closing of a

financial product transaction.

h. Should the Client be given access through the electronic platform or otherwise to prices or information provided by any exchange to which a royalty or other fee must be paid for the use of such prices or information, KVB Prime shall have the right to effect the payment of any such royalty or other fee by debiting the Client's account on a monthly basis.

i. Payments by the Client to KVB Prime in accordance with these Terms & Conditions must be made without any offset, counter claim or condition and without any deduction or withholding for any tax or any other reason unless the deduction or withholding is required by applicable law. Should the Client be required to make any form of deduction in respect of tax from any payment to be made or if KVB Prime is required to pay any tax in respect of any payment made in relation to these Terms & Conditions at the Client's request the Client agrees to keep KVB Prime indemnified against that tax and agrees to pay to KVB Prime any additional amounts required to ensure KVB Prime receives the full net amount that is equal to the amount KVB Prime would have received had a deduction, withholding or payment of tax not been made.

j. The Client agrees that KVB Prime may at any time share transaction fees and charges with any other persons without being required to disclose the sharing of such fees and charges to the Client, unless such disclosure is required by law.
